

## **Alissia Canady for Lt. Governor Short Bio**

Alissia Canady is the compassionate, decisive leader that Missouri needs right now. After starting her first small business in college, Alissia worked as an Assistant Prosecutor in Jackson County. Alissia was a strong advocate for victims and worked closely with communities to help reduce the epidemic of violence plaguing Kansas City. Working in this field taught her the value of building healthy communities and motivated her to run for Councilwoman for Kansas City's 5th District in 2015. In this position, Alissia held leadership roles as the Chair of the Neighborhoods and Public Safety Committee and the Health Commission. Since then, she has returned to private law practice and continues to serve our community as the Chair of the Kansas City TIF Commission. As Lieutenant Governor. Alissia wants to change the narrative about what it takes to be a successful candidate by presenting culturally competent leadership and willingness to work on the issues that matter to most Missourians. Alissia's three-part plan for Missouri includes combating city violence, addressing health disparities and promoting education and economic development.
